**DECLARATION AND POWER OF ATTORNEY--CO-PENDING APPLICATION CONTAINING
ADDITIONAL SUBJECT MATTER**

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name;

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **ALLOSTERIC ADENOSINE RECEPTOR MODULATORS**, the specification of which is attached hereto.

This application in part discloses and claims subject matter disclosed in my earlier filed pending application, Serial No. 09/156,077 filed 9/17/98 which is a continuation-in-part of U.S. Serial number 08/959,758 filed 10/29/97. I hereby state that I have reviewed and understand the content of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

I hereby claim the benefit under Title 35, United States Code, § 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

Allosteric Adenosine Receptor Modulators, Serial No. 09/156,077, Filed 09/17/98, Status-pending.

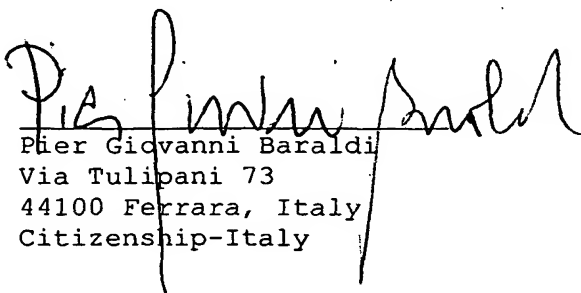

Thiophenes Useful for Modulating the Adenosine Receptor, Serial No.08/959,758, Filed 10/29/97, Status-patented.

Power of Attorney: As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.
